HELD AT SCOTT CITY HALL

The Mayor and City Councilmen met in Special Session Thursday, January 30, 2020. Councilmen Boudreaux, Councilman Montoucet, and Councilman Hollier were present. Councilman Suire and Councilman Bergeron were absent.

Councilman Boudreaux motioned to adopt Resolution 2020-4, A resolution authorizing the Mayor to execute a contract between the City of Scott and Ernest P. Breaux Electrical, L.L.C. for the installation of a traffic signal at Eraste Landry and Westgate roads. Ms. Anna Doucet, with Fenstermaker and Associates stated that the signal will be temporary for about a year and a half in order to help with the influx of traffic because of the Dulles Road closure. The signal will be span wire on a wooden pole and will have turn arrow signals. The installation will start the week of February 3rd and take about two to three weeks to install, weather permitting. Restriping will be done. Seconded by Councilman Hollier, motion carried by majority.

There being no further business, meeting adjourned at 12:20pm.
