

City of Scott Recycling Update:

Beginning September 2017, curbside recycling will be every Friday, except when it falls on a holiday. To enroll in our recycling program, call city hall to obtain a cart. If you are not currently recycling, we encourage you to do so. Regular trash pick up will remain the same.

Single-stream recycling means no sorting of recycling material is required. You just put all of your recyclables in the container (do not put them into a plastic bag and then into the container).

Please see below for a list of what we can and cannot recycle.

Please recycle only the items below.

- ✓ **PLASTICS**
Recycle plastics #1 and #2. Look on the bottom of containers for a number inside the recycling arrows.
