Veterans
Memorial
at the
Rail

Cayret Street
Scott, Louisiana

As Americans we can not be remiss in acknowledging and honoring those who have made the ultimate contributions to protect the freedoms we enjoy every day. American culture embraces the practice of paying homage to veterans, the wars they have fought in and the sacrifices they have made to protect our country. 'The City of Scott and its amazing citizens certainly have and demonstrate American pride and seeks to remember all the brave men and women who have fought for our country's freedom. It is with great distinction that we, the City of Scott, create our very own Veterans Memorial at the Rail. Situated at the corner of St. Mary Street and Cayret Street, the Veterans Memorial Park will include several opportunities for one to honor the special veterans in their lives. It will also include the Veteran's Memorial Amphitheater which will serve as a shared outdoor gathering place for residents, a venue for traditional Cajun and Zydeco performances and other community events throughout the year.

Tribute Bench or Flag Pedestal The beautiful amphitheater will be surrounded by wrought iron benches representing the bravery and conviction one must possess to serve in the U.S. Military both at home and abroad. The benches will be a welcome addition for the many spectators who will enjoy the events at the Veterans Memorial at the Rail. The flag pedestals will hold the American Flag as well as the flags representing the different branches of the military. Each will be illuminated. The bench or the pedestal will be a great way to honor your veteran as each will be inscribed. The cost of each bench and pedestal is \$2000.

Memorial Planks A memorial plank is a mark of lasting remembrance for a veteran in your life. The plank walkway surrounding the amphitheater offer the opportunity to memorialize that special someone with a personalized inscription. The cost of each plank is \$100.

You may choose to honor the special veteran in your life by purchasing one of the following **Commemorative Tributes**:

Eternal Flame Tower The massive tower holding the beautiful eternal flame is a great way to share in the cost of the Veterans Memorial at the Rail while showing your support for the Veterans of the area. The tower represents the strength and fortitude one must possess to be a true military hero. The pedestal may be purchased by the side and will include an inscription recognizing the honoree or company. The cost of each side is \$7500.

Fence Panel Tribute The purchase of a wrought iron fence panel is a great way to honor your hero. The wrought iron represents the strength and endurance of the U.S. Military. Each panel will include a plaque with a personalized inscription for the veteran you are honoring. The cost of each panel is \$5000.

Light of Freedom Situated throughout the perimeter of the Veterans Memorial Park will be vintage style lighting fixtures. These will provide a subtle soothing illumination creating the most beautiful setting to just sit in prayer or meditation or while you enjoy the musical performances on stage. Your veteran will be honored with the inscription plaque. The cost of each light is \$3000.
